

## 2018 Men's Bowling Committee

As the bowlers have decided to move forward with our grass bowling green, 2018 promises to be a very significant year for the bowling section with the need to recruit new members and manage the maintenance of the bowling green.

It is imperative that we have two strong bowling committees in place to manage our affairs. Both the ladies' and men's committees will have to work closely together to ensure we get the most out of our bowling for all members.

Therefore, I urge all members who feel that they can contribute in any way towards achieving our objectives to put their name forward for the positions listed below:

- Men's Captain
- Captain 1<sup>st</sup> team
- Captain 2<sup>nd</sup> team
- Captain 3<sup>rd</sup> Team
- Captain Vets Team
- Honorary Secretary
- Honorary Treasurer
- Competition Secretary
- BLI Delegate
- Senior Selector

Nominations in writing may be sent by email to [patvbyrne@gmail.com](mailto:patvbyrne@gmail.com) or left behind the bar for my attention before Friday January 12<sup>th</sup>, 2018.

Pat Byrne  
Honorary Secretary, Men's Bowling Section.
