Please RSVP and take part in the short survey.

Regards,

Paul Sharpe  
Hon. Sec.

**Subject: BLI Development Committee**

Dear member of the Lawn Bowling Community,

As you may know, there is a small Development Committee within the sport that is looking to see how we can support clubs to build membership of our great sport.

To this end we are working with Aideen Ward from Leading Sport Consultants who is helping identify opportunities for us to market Lawn Bowling to particular segments and focus our efforts on building membership.

We would like to invite club members to a meeting where we will learn from each other what works in our sport and how we can work together to build participation. Please come along if you are interested in building membership of our sport and your club. Regular members and club officers are all welcome.

Please attend on January 23rd at Kenilworth Lawn Bowling Club (in Grosvenor Square in Dublin 6) at 7 p.m.

So that we can prepare as best we can for this meeting we could like to know a little about you and your club. Please RSVP at the link below and answer a few questions:

<https://www.surveymonkey.com/r/YVJQJSB>

We look forward to meeting you on January 23rd.

Best regards,  
Pat Tallon  
Development Committee Chairperson
